## Perth and Kinross Sports Council Chairman's Report

After what has been a challenging time for all due to the outbreak of the Coronavirus. Perth and Kinross Sports Council is now open for business again. I am aware that not all clubs are fully opened due to the various restrictions in place. The committee members of P&KSC will continue to support our members through grant applications and look forward to offering our support throughout the forthcoming months.

I would like to thank Perth and Kinross Council for their annual grant, Phil Coleman our monitoring officer, Scott Walker our treasurer for their help and support, and Liveactive Leisure for the free use of the Tayview Room and administration support.

So far, we have given out two grants one to Aberfeldy Rugby Football Club and the George Mortimer Bursary to Jack Ridley. We have also supported the Spirit of Sports awards.
